3 1/2" COMMERCIAL TRIDICATORS

These instruments have been designed to indicate temperature and pressure in a single unit. With a price that makes this an affordable option for applications where bronze internals are suitable for use, the use of a single 'tridicator' saves time during installation, amount of piping required and of course saves money versus using separate gauges and thermometers. The primary application for these is hot water boilers and water heaters.

General Specifications

- 3 1/2" Dial, 1/4" Npt Center Back Connectic
- Available With 1/2" Npt Adapter
- Black Steel Case and Bezel
- Dual Reading Pressure & Temperature
- Temperature: 70-320°F & 20-160°C
- Pressure: 0-100 Psi & 0-700 Kpa
- Plastic Lens
- 3-2-3 % Accuracy

Dimensions	A	B	C	D	E	F
